## MEMORANDUM

To: Chief Alan D. Baker  
From: Lt. Matthew McNally  
Subject: **Police Explorer Monthly Activity Report – October 2015**

The month started with the explorers continuing with the **Danbury Youth Soccer** detail on Saturdays. The detail has worked every Saturday during the month and does not end until the beginning of November. Every Saturday during the month we had a squad of explorers at the weekly **Danbury Youth Soccer** traffic and parking detail for traffic duty on Old Ridgebury Road. The detail continues until November.

On **Saturday, October 10<sup>th</sup>**, a group of explorers went to the **Cub Scout Jamboree** at the Hoyt Scout Reservation in West Redding with PO Antedomenico. There were several hundred cub scouts and there were multiple training stations. We ran a station to put on a training session instructing the scouts and their leaders in the proper use and application of “moulage” to simulate injuries for training purposes. This was at the request of the Schaghticoke District Boy Scouts.

**Sunday, October 18<sup>th</sup>** was another very busy day for the Explorer Post. The Post was divided into two groups as there were two special events occurring at the same time in the city.

One squad of explorers went to Rogers Park and assisted with the seventh annual **Walk of Honor**, held at 12:00PM to pay tribute to the country's veterans - both past and present. It was held at the **Danbury War Memorial on Memorial Drive** in Danbury. The one-mile walk looped around South Street, Coal Pit Hill Road, Lions Way and Memorial Drive.

The second group of explorers went to the **Halas Farm Market** on Route 37, Danbury, and had been asked to assist with an event for the second annual **Juvenile Diabetes Research Foundation** from 11am to 4 pm. This was an event with high traffic flow and explorers assisted with traffic and parking. Turnout was heavy for both events. See images below.

On **Saturday, October 24<sup>th</sup>**, we had the weekly soccer detail and then ended with the annual **DHS Band Jamboree**. The explorers assisted the band parents with traffic control and parking in the lots of the Danbury High school. Marching bands from many schools were in attendance and the crowd was quite large for this event. This year the event was almost doubled in size from previous years, as there were two jamborees on the same date, one at Brookfield High School and the Danbury High School one. Bands went back and forth between the two locations to compete, creating a difficult logistics situation and increased the traffic flow greatly.

As part of the Band Jamboree, we were asked to provide the opening Honor/Color Guard for the event.

On **Saturday, October 31<sup>st</sup>**, while at the soccer detail, it was requested that the 11 person explorer detail perform a **Land Search for Evidence** in the South Main Street area near Food Bag, for a possible weapon used in a shooting from earlier in the week. The explorers searched the suspected area with no positive result. See CFS# 1500073126 for further details

Of course, on Saturday, **Halloween, 10/31**, the explorers annually provide a **Halloween spirit and distribute candy at police headquarters**. We held a small costume/ Halloween party in the Community Classroom while our explorers took turns handing out candy (purchased by the Post) to all the little "Trick or Treaters" who came to police headquarters. Even though the weather was cold, damp, and it began to rain a little, we had over 80 children come to police headquarters.

### Halloween Candy Giveaway at DPD

As you can see, we ended the month with 72 Explorers registered. This is a decrease of since last month's report. We are anticipating several more new explorers this month, November, as we have just started our BEST explorer candidate program for the autumn.

Respectfully submitted,

*Lt. Matt McNally*
